

Eastwood/Cornerstone Schools

The GEARs (General Engineering and Robotics Specialists), Inc. robotics team, made up of students from Eastwood Presbyterian Church School, Cornerstone Classical Christian Academy, and several homeschool groups, competed in this year's War Eagle BEST Robotics Competition, Crossfire, on October 28th at Auburn University. The team won the following awards as they conquered the challenge of robotic firefighting.

- 1st – BEST Award
- 3rd – Robot Competition
- 1st – Engineering Notebook
- 1st – Marketing Presentation
- 2nd – Team Exhibit/Interviews
- 2nd – Spirit & Sportsmanship
- Software Design Award
- 1st – Team Exhibit Design
- 2nd – Most Elegant Robot
- 2nd – Website Design
- 3rd – T-shirt Design

GEARS is now preparing to compete at the regional competition, South's BEST, on December 2nd – 3rd. For more information, visit the team's website at gearsincrobotics.com.
